In My Life

(Lennon/McCartney)

There are places I'll remember
All my life though some have changed
Some forever not for better
Some have gone and some remain
All these places have their moments
With lovers and friends I still can recall
Some are dead and some are living
In my life I've loved them all

But of all these friends and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new
Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more
In my life I love you more

To the Class of 2002,

For the past four years, our lives have revolved around Hingham High School. Our friends, our classes, our teachers and mentors- it's impossible to say that school hasn't, at least in some ways, defined who we are. It's hard to imagine ourselves anywhere but where we are, right here, right now.

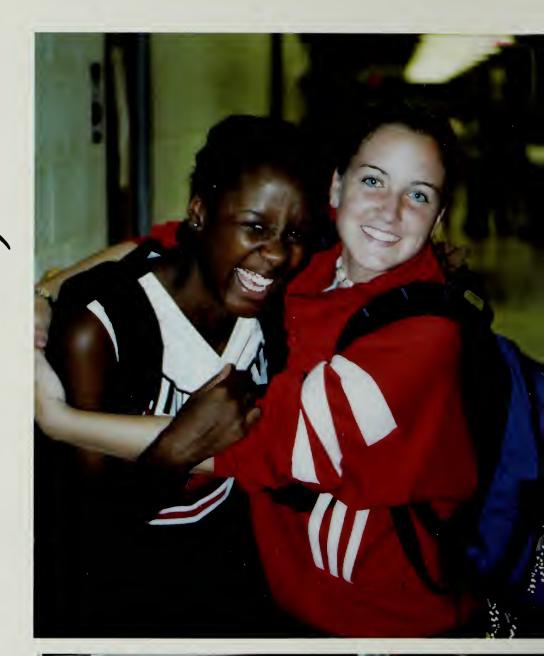

However, we will soon move on, in different directions, plunging headfirst into our respective futures. The ocean is deep and vast, and at some time, we will find ourselves unsure of how to swim. Yet, in such moments of uncertainty, we will be able to refer back to the lessons we have learned in our lives. Whether you loved high school or were counting the days to graduation, it is undeniable that the surrounding ideas, people, and places have had some sort of impact on the person you've become.

As a yearbook staff, we feel that *In My Life* is an appropriate theme to capture the times we've spent here at Hingham High School. The memories we've shared, the people we've met, and the lessons we've learned will continue to shape our lives and affect us as we venture out into a new ocean, an ocean slightly less secure than the shores of Hingham Harbor. We, as the class of 2002, are ready for this challenge. We are prepared for what is to come.

Good luck, and may you never forget what you have already learned in your life.

Sincerely,
The Yearbook Staff

A Day in My Life

6:15 am-The Alarm rings. Dan snoozes...looks like a walk from far! Alison and Katie arrive to school on time, but only after enduring the long trek across the field.

7:20-10:45 am-It's a bit of a long morning. Jen and Jim try to get some studying done. Sarah grins and bears it in portfolio, but the band boys can't keep their eyes open - too bad it's only B-period. Is it time for a locker break yet?

10:45 am- Lunch! It's about time... Ian, Christina, Nick, and Noelle dig in. How's that calzone, Mr Garland? Meanwhile, Justin does everyone a favor by collecting the trash.

12:10-1:52 pm The day rolls on. It's a bit hard to concentrate as it gets closer and closer to 1:52, as everyone anticipates the final bell. Class helps the time pass...slowely....until it's finally time to leave. Have a good afternoon everyone!

Junion Prom

Junior prom 2001 was a huge success. One could hardly recognize that we were situated in Plymouth River School's cafetorium due to the hard work of Student Council. Everyone turned out in sparkles, tubes, and tuxes to enjoy the night. The theme this year was "Dancing into the Night", and that's exactly what the class of 2002 did! Highlights of the evening included the presentation of the Junior Video,

spending the night chewing on tasty ring pops and Swedish fish, and, of course, dancing! It was a night that would not soon be forgotten, thanks to the hard work and effort of many.

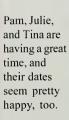

Wow, are you serious? Left, Meaghan and Hilary are having a shockingly great time at the dance.

Are we interrupting a moment? Above, Ed and Siobhan cuddle on the dance floor.

Nice Kicks, Bridget! Jeanie and Bridget pose for the camera (right).

Aww....how cute! Krista and Dan smile for the camera. (right)

Above, Sara and Nick dance the night away. And to the right, Emily and Liz show us that Girls Just Wanna Have Fun!

Homecoming

Erin and Charlotte seem surprised at what a good time they're having! (below)

This year's homecoming was, by far, the most successful one in recent history. The parade boasted many unique creations, such as the Seniors' "DWDC" display, and the drama club's "West Side Story" float. Each and every sports team was able to attain victory. Impressively, the football team defeated Cardinal Spellman. The Homecoming court consisted of Bridget Driscoll, Caitlin Fitzgerald, Jennifer Wasson, Meaghan Wilbur, Matt Murphy, Noah Kutsch, Anthony Knasas, and Patrick Lenhart. During halftime, Kate McCluskey and Brendan Murphy were crowned King and Queen. After this satisfying day, the

Girls' Cross Country

Nicole looks formidable on her way through World's End.

The Girls' Cross Country team had a great year. They missed their all-star runner, Tri-Captain Allison Donovan, who unfortunately was on the injured list. However, they still managed a second place finish in the league. Nicole Shostak and Kim Dunlap were honored as All-Stars and the entire team, including other seniors Jeanie Kirk and Darcy Kimball, improved and pushed themselves this year. The team spent afternoons practicing the sack dance and running - all too frequently to Springs. Mr. Ryan and Buzz were always there to clock the track workouts. Just remember, girls: CROSS COUTRY, there is no "N" in sight. Captains Jeanie and Nicole want to tell their girls that they had a great four years and that they will miss everyone next year.

Boys' Cross Country

This year the Boys' Cross Country team battled back from 0-2 start to finish the season at 500 with a 3-3 record. The team was lead by senior captain Grant Pattison and the juniors Steve Fiascone and Ben Cox. Filling out the rest of the scoring positions were juniors Sean Hagen, Adam

Girls' Soccer Red Hot

The girls soccer team had a record season this year. The senior members Jane Follansbee, Lauren Ryan, Meaghan Slater, and Haley Wojtasinski were led by captains Bridget Driscoll, Elizabeth Friend, Hilary Gibson, and Jennifer Wasson, and coach Guy Enoch. They tied the Division I state

finalist and the Division II state champions. The team made the South Section Quarter Finals and four players - Hilary Lynch, Becca Marshall, Haley Prendergast, and Meaghan Slater - were named League All Stars. The Soccer Team will always remember such things as Slater's cough, Becca and Hayley's confusion, Hilary's urban flavor, Shaniqua and Tiff, the fact that girls are better than boys (men are like tiles) and of course being "just one of the girls."

Boys' Soccer

The Hingham Harbormen Boys Soccer team had a great 2001 season, led by tri-captains Connor Fitzgerald, Dave Habeeb, and Darrell Smith. Th team finished up strong with an appearance in the South Sectional semi-finals, before losing to rival Duxbury. In the pre-season, the defeat of perennial power Marshfield showed the capabilities of the team. The start of the season was marked by a six game winning streak, including ke victories over Norton and Newton South. After some mid-season disappointments, the Harbormen bounced back with a huge 3-0 defeat of Norton. Norton was a strong play-off bound team, who suffered its only two losses all year to the Harbormen. In post season, the Harbormen

defeated Scituate in penalty kicks. In the next game, Hingham faced number one seeded Dighton-Rehoboth. After losing to this team last year, the team was hungry for an upset, which was soon achieved. In the Sout Sectional semi-finals, Hingham faced long-time rival Duxbury Unfortunately, the Harbormen lost 3-0. As much as it hurt to lose, Hingham was by no means disappointed with their stellar season, and they look to improve upon this season's end next year.

Football Cheerleading

The Football Cheerleading season was a memorable fall for the senior girls. A new coach, new faces, and new uniforms helped to develop a more competitive squad. Homecoming and Thanksgiving pep rallies were huge successes, with unbelievable dances, cheers, and stunts to keep the

student body on their feet. Led by the three captains, Noelle Murray. Chrissy Rando, and Nadine Boakye, the sidelines and halftimes at the football games always kept the crowd cheering. The cheerleaders will never forget the fun times: bus rides, dinners, tailgate parties Many thanks to Ms. Moore, the Gridiron Club, football players, as well as the fifteen dynamic girls, particularly seniors Nadine, Noelle. Anne, and Chrissy for making this season so FABULOUS. "Ya'll can't deny it!"

Golf

The Golf team had another good season as they made the state tournament for the 4th year in a row. Led by captains Dan Lee and Steve Mills, the golf team finished with a record of 11-3, second only to their arch rival Duxbury. Seniors Jen Accomando, Stacey Alleva, Lorne Bycoff, Matt

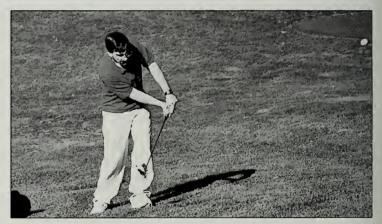

Farley, Adam Farley, Larry Herman, and Craig Andrews all made major contributions throughout to the season. With their help, the seniors' final year as members of the golf team was one to remember.

Girls' Basketball

Girls' basketball, whew...what a year! Led by captain Bridget Driscoll, seniors Stacey Alleva, Bridget Garrity, and Hilary Gibson, and Coach Dave Hickey, the team made it to the second round of the tournament. In fact, the girls were the only team in the Patriot League to beat Duxbury. Still, even after deep conversations with coach Hickey, the girls worried about their basketball getting stolen by the beast. Well, at least Bridget G. sets

good picks and there will be no more senior stations! Woo Hoo! Anyway, the girls say "Hi Steve!" and advise that you "Take charge and get a pizza!".

Boys' Basketball

The Hingham Boys' Basketball team had a challenging season that ended with a record of eight wins and twelve losses. The boys played hard and greatly improved during the season. Although this outcome was not exactly what the boys were hoping for, strong games against powerhouses Duxbury, Rockland and Scituate ended in this outcome. However, the four seniors were the best Coach Dan Clune has seen in

all his six years of coaching - point guard Chris Hamm, captains Greg Sowrdya and Dave Habeeb, and defense Ryan Flemming. The team leaves a strong underclassmen contingent that will improve and further develop the team's talent.

Under the leadership of Coach Paul Caniff, as well as Captains Dan Bleidorn, A.J. Hardej, and Dan Nastou, the wrestling team had an extremely successful season this year. Unfortunately, Dan broke his leg again and missed the season. Still, the team persevered and did well in all of their tournaments. Greg Kahn and Dan Bleidorn did particularly well. Greg Kahn broke the record for the number of pins in one season, an impressive achievement. The team hopes to continue doing well next year, and due to the skill exhibited by under-classmen as well as the growing talent of the team, this prediction looks promising.

Hockey

Led by Captains Kevin Olson, Andrew Genovese, and Mike Boles, and Coach Garret Reagan, the boys' hockey team had yet another great seasor They made history by being the first ever public school team to compete in the Super Eight Tournament. They made it to the semi-finals where the played an exciting game against CM. Players, such as goalie John Lynch, were recognized by the Boston Globe as being fantastic. This opinion was certainly shared by the many fans. The boys will always remember playing at Nastingham Palace, and personal jokes such as the man in the boar

Hockey Cheerleading

The hockey cheerleaders have had quite a time the last few years. They have always been there to support the hockey team through thick and thin, and last year it really paid off. The girls were able to perform at the Fleet Center in front of thousands of screaming fans. This year they continued to psyche up the crowd (maybe a little too well) and cheer the hockey team into another great season. Coach Karen DelGallo, and seniors Meg Scampoli and Julie Spannagel led the team. It's been a grea year for the girls, and they will all greatly miss this fun past-time next year. Thanks for all the hard work- viewers and hockey fans alike certainly appreciate it!

Ski Team

Led by captains Jane Follansbee and Mike "Mad Dog" Richmond, the ski team has had an incredible year. The girls boasted a first place finish in the league. For the first year ever, members of the boys and girls team participated in the State Championship. The team practiced twice a week at the wonderful conditions at Blue Hills, and raced at Ragged Mountain on the weekends. Girls' Winter Track

The girls' track team had a great season. At first, the girls were unsure how to proceed without their former coach, Mr. Manganello, but new coach Ms. Kates filled his shoes quite nicely. Captains Hilary Mendez, Nicole Shostak, and Sarah Marcks, as well as seniors Darcy Kimball, Laura Vincent and Katie Fallon provided inspiration and support to the team. Injuries kept seniors Alison Donovan and Kate McCluskey off their feet

for most of the season, but they still stuck around for support and score keeping. All in all, the girls had a season to remember. Furthermore, the talent of underclassmen ensures the growing success of the team. The Senior girls say good-bye and goodluck!

The boys' track team had a great season. New coach Fred Jewett had much to teach the team. Captains Dan Jones, Chris Orr, and Grant Pattison were great leaders to the crew. Chris, as well as Steve Mills and junior Josh Diorio, performed so well in the regular season that they were sent to compete in the all-state class C meet. Other seniors that added to the team's momentum include throwers Steve Mills, Chris Taylor, and Dan Nastau, whom the team was lucky to gain after his wrestling injury. All in all, the boys had a lot of fun, and wish all the up-and-coming track teams the best of luck!

Basketball Cheerleading

The hard work of the basketball cheerleaders was really appreciated by the basketball team and basketball fans alike. Under the leadership of captain Katie O'Keefe as well as coach Deanne Moore the team worked hard practicing and did a great job performing at half time. The girls also participated in the South Shore Competition this winter. Hingham High always greatly benefits from their spirited performances at the pep rallies. The success of both the boys and girls teams this year can possibly be attributed to these girls. Nice work!

Band

Hingham High School's band provides students with the opportunity to play and appreciate music in a non-competitive, friendly atmosphere. The band program includes concert band, jazz band, and Mozart ensemble, all led by our favorite conductor, Mr. A Douglas Wauchope. Seniors have enjoyed having Mr. Wauchope as a mentor as they grew from playing "Incantation and Dance" their new favorite, "Gladiator." Each year, the band travels to a different location with the orchestra, and often participates in competitions. This year's seniors have enjoyed trips to Montreal, New York City, Williamsburg, and this year, Philadelphia and Baltimore. The antics of band class and the trips have provided the students with many memories that will not soon be forgotten such as: Is that a banana in your pocket or are you just happy to see me?, That's uncredible!, It all goes back to the band trip, Stamp!, Chestnut, Superman, Sexy and Stupid, Balam-Acab, You forgot to pay your pizza money, Sang!, Dorch, soul patch, and of course, the Green Knight. Band has been an amazing experience for all who participated. And remember, music stimulates the same part of the brain as...

Orchestra has been a fun and pleasant expirience for all of the seniors involved. Oftentimes referred to as "Dorch," this talented group has many exciting events throughout the year, including several concerts, and the annual trip taken each year along with the band, and this year, the chorus. The full Orchestra consists of the regular Orchestra combined with various members of the band. Furthermore, the Chamber Orchestra is a select group of talented string players. The leadership of conductor Phedra Sassano as well as President Sarah Marcks, Vice President Rachael Mezetti, Secretary Lauren Bailey, and Treasurer Kaitlin Stengel has helped this versatile group shine.

Chorus

The Hingham High School Mixed Chorus, directed by Dr. Paul Cappers, has had a hectic year. They performed in many concerts, including a winter and spring concerts as well as the Major Works and Choral Spectrum Concerts. The students also participated in the annual fruit sale to raise money for the trip. This years trip was a combined trip with the Band and Orchestra to Philadelphia and Baltimore. Last year they went to

Vienna and Prague and the year befor they went to Montreal and Quebec. The trips are always a blast and are the highlight of every year. The Chorus would like to thank their accompianists Vivienne Trebino and Janet Cappers as well as officers Julie Andrus, President; Maria Mavormatis, Vice President; Julia Nolan, Treasure; Jeanie Kirk, Secretary; and Emily Murphy, Public Relations Cordinator.

A.F.S. American Field Service

The main purpose of the Hingham High School AFS Club has always been to get to know different cultures and groups of people, both international and domestic. Every year the club partakes in a short exchange to another part of the U.S. Over the past few years the club has

traveled to North Carolina, Wisconsin, Ohio, and this year to Mahopac, New York. Foreign exchange students are also a big part of the club, with past students from Thailand, Brazil, and Switzerland. Long time members and current seniors include Lauren E. Bailey, Dan Jones, Tom Reilly, Sarah O'Leary, Katie Dirksmeier, and Krista Kubulins. Led by president Lauren E. Bailey, vice-president Kendra Ludwig, and officers Sophie Luke-Hall, Douggie Randall, Greg Settino, and Riane Herlihy, the AFS club has enjoyed a fun-filled year.

A.D.L. Anti-Defamation League

The Anti-Defamation League was formed in 1999 by Mr. Jewett, with the aid of co-advisor Ms. Krall. Since then, the group has gained much momentum in raising awareness, discussing issues, and improving the school climate. Most commonly, the group leads four-day workshops in

West Side Story

"West Side Story," performed by the Drama Club, was a great success! With Mr. Higgins as director, this famous show about racial hatred between two opposing gangs (the Sharks and the Jets) and the forbidden love of Tony (Adam Read-Brown) and Maria (Maureen Gassert) struck home with serious issues and incredible acting. Other leads included seniors Julie Andrus, Barbara Crowther, Nat Kingdon, Anthony Knasas, Pam Leonard, Jen Lincoln, Heather Low, Scott McGinn, Brendan Murphy, Anne Schlesinger, and Meaghan Wilbur as well as juniors Tony

The show could not have gone as well with out the various backstage crews led by Dan Camino, Larry Herman, Charlie Hancock, Tina Grant, Tyler Blair, Julie Andrus, Barbara Crowther and set designs by Sara O'Leary, Caitlin Dixon, and Claire Karroff. "West Side Story" sold out all three nights, a first for any Hingham High School show, and many have said it was the best show HHS has ever done. Bravo, Drama Club!

Drama Club

Thanks to the abundant donations from the Fagoa family, the Drama Club had its most wealthy year ever! This year was the richest in heart, not cash! The club didn't stop believin'. Never once! With November's Amazing Spectacle, West Side Story, people got to see more than your average gang fight! An expert Translator deciphered every line in Taming of the Shrew! Cool! There are strong rumors that Warner Bros. Pictures wants to make a theatrical version of the spring play Our Town, with our cast. January's Lock-in was a mad house of music, movies, chaos, and fun! The Drama Club took on N.Y. C. again with another magical mystery tour. Cool! Oh, do you smell smoke? 'Cause Senior One Acts burned up the house! Hot! The Drama Club has left this year with a sense of magic, splendor, and a phrase constantly stuck in their heads: "IT'S BEEN

Above, Heather proudly shows off the GSA's shirt. Below, Michelle sets up the display case.

The Gay Straight Alliance, known as the GSA, was formed in order to provide a place for students to not only talk about issues, but also a place where anyone can feel comfortable with who they are. Senior members include Michelle Devine, Allison Cardillo, Jen Lincoln, Dan Camino, Tina Grant, Sarah O'Leary, Katie Dirksmeier, Jeanne Eisenhaure, Meaghan Wilbur, and Ed Peterson. Throughout the year, the GSA participates in various activities, such as guest speakers who share personal experiences, movie nights, and the annual Gay/Straight Youth Pride March in Boston. The purpose of the parade is to increase tolerance, and spread this message to others. The Gay Straight Alliance has helped the school to embrace the differences between the members of its student body.

WHHS-TV

Despite being confined to just one show a week, WHHS-TV is still going strong. Aside from weekly announcements, which feature various

journalistic endeavors, the members hope to have a film festival in the spring to showcase their creative works. The directors of the Friday Show are Andy Vilane (aka SkAndy) and Meaghan Wilbur (aka Buttah). Other senior members include Patrick Lenhart, John Lynch, and Lauryn McCarthy. The Friday show is something that the entire student body looks forward to watching each week, a pleasant start to the long school day. Members can always been found after school taping the shows in the Library Media Center. WHHS TV also features weather announcements by Jesse Rudovsky, keeping the students informed about tornados and hurricanes.

S.A.D.D. Students Against Destructive Decisions

SADD, fully known as Students Against Destructive Decisions, an organization that promotes safety and consciousness, is led by co-presidents

Kim Feldman and Nick Kapetanakis, vice-president Julie Dresser, secretary Katie Fallon, and treasurer Maria Mavromatis. Last spring, SADD presented a particularly moving program about drunk driving, in which various students acted the roles of drunk-driving car crash victims. The result was effective, for it left students with the chilling reminder that millions do die each year from drunk driving. Aside from this, SADD has also attempted to collect old school supplies for underprivileged children. The group has been instrumental in promoting an atmosphere where students are aware of choices and consequences.

The club is led by advisor Ms. Chodis, coconsuls (remember this is *Latin* Club) Surerkha Gajria and Nicole Shostak, secretary Lindsey Meek, historian Adam Farley, and treasurer Kathleen Keif. In the future the Latin club hopes to make a Tshirt and to participate in the Massachusetts Classical League Field Day.

Improv Troupe

This year the Improv Troupe has continued to provide a creative outlet for thespians throughout the year. The club meets every Wednesday night and is run by junior Justin Nestor. The members of the club participate in Improv games such as "party quirks," "script," and "Late for Work." The senior members of the club are Barbara Crowthers, Tina Grant, Pamela Leonard, and Sarah O'Leary. Although Improv troupe

Biology Club

The Biology Club is one of the most active clubs in the school. Mrs. Duffy's room, "The Jungle", is home to all sorts of creatures that need to be cared for every day. The club has hatched hundreds of fish, raised hermit crabs, cared for a turtle named Howard (who bites) for over two years,

Besides caring for animals the Biology Club also grows large numbers of plants. Although this year they don't have a greenhouse, the members have built a plant arch and the plants are doing quite well in the classroom. The club has also taken pictures of nature trails for teachers to see as a reference and the members are also learning to take time lapse photography. The senior members of the club include Jen Briggs and Maria Mavromatis.

Math Team

Ah, the joys of Math Team! Not only do you get to sing songs and eat Twix, but you also get to do math! The team, led by president Dan Nastou and advisor Mr. Baisden, has fared well against harsh competetion from other schools. Both the JV and Varsity Math Teams compete in timed

math exercises, which test not only skills, but also the ability to work well under pressure. Anyway, as they say, "Do you like to eat food? Do you like sitting around? Do you like math? Well hey, two out of three ain't bad!"

Amnesty International

This year Sheryl Flynn and Stacey Epstein founded a new chapter of Amnesty International with advisor Mrs. Roth here at the High School. The

senior members are Nathaniel Kingdon, Joe Bottone, and Lauryn McCarthy. Their current project is a letter writing campaign to Kuwait and Indonesia. The members are asking the governments of these countries to document their actions because many people believe that they are detaining and torturing people. The members have also participated in a write-a-thon in which they wrote letters to countries that they believed were violating human rights. Throughout the year the club will continue to raise money for postage and envelopes.

Literary Magazine

The "Outer Limits," run by editor-in-chief Nicole Buccitelli, is Hingham High School's five-year-old literary magazine. It is intended to allow students and faculty to express themselves through their writing and artwork. Contributions range from essays and commentaries, to poems and

short stories, to ink and charcoal drawings. Other seniors that have participated in the magazine include Rebecca Buntrock, Anne Wetzel, Nadine Boakye, Jane Follansbee, and Andrea Morris. The "Outer Limits" and the Harborlight newspaper compliment each other well, functioning as outlets for creativity and knowledge, respectively.

It also includes creative pieces, commentaries, as well as movie and restaurant reviews. The senior members include Jen and Heather Low. The Harborlight will always remember Brian Fagoa as an honorary editor and the writer of "Ask Fagoa" and The Bangkok Tokyo Bar and Grille.

Science and Technology Club

The members of this relativley new club construct technological devices and tools in order to further their understanding of the world of science. They have in the past, under the guidence of advisor Dr. Morin and President Maria Mavromatis, constructed such things as doorbells, electric pulleys, water timing devices, remote controls, and chicken incubators for the biology club. They hope in the future to build a telescope and an AM/FM radio. The members have such fond memories such as "Neal!" and "Neal's Van!" and "talk, talk, talk, argue, argue, argue, talk talk talk."

Peer Group

Last year this group of twenty-nine juniors taught the fifth and eighth grades about the harmful effects of drugs and alcohol. During the first month of school they went to Espousal for an overnight to get to know each other as well as train to teach the classes later in the year. Teaching

these classes, while at times frustrating, was a rewardin experience for all involved. They ended the year wit memories of speakers and fun times with advisors M Navader and Mrs. Gufstafson. Even though this was th last year of peer group, people will always remember th way they tried to help others. It will live on in memory for years to come.

Intergenerational Club

The Intergenerational Club, led by advisor Mr. Schreider, participates in many different events hroughout the year. Besides many senior citizen luncheons and visits to nursing homes, the club ilso runs an annual winter coat drive as well as a reading program in the elementary schools. The surpose of the club is to encourage interaction between generations. It is a way for students to meet older citizens of Hingham, and do good deeds for those who need helping. Some senior members of the club include Jennifer Wasson, Jen Fiske, Elizabeth Friend, Abigail Quinn, Elizabeth Toomey and Shawna Murray.

Jen, Liz, and Abi seem to enjoy collecting the coats (Above). Mr. Schreider, the leader of Intergenerational Club, converses with an elderly citizen.

National Honor Society

Since their induction this past spring, the members of the National Honor Society, led by President Lorne Bycoff, Vice President Kathleen Keif,

Treasurer Rob Becker, secretary Bridget Driscoll, and advisor Ms. Perelman, have accomplished a great deal. The candle-light induction was enhanced by an inspiring speech from Mrs. Silva. Since then, the members have successfully taken part in several service projects such as the dry goods drive (Dry goods! Not canned goods! Dry goods!), Pajama storytime at the Hingham Public Library and a luncheon with the libary staff. The NHS also donated several hundred dollars to DOVE, a women's shelter. Future projects include a bottle and can drive, as well as other fun projects.

Crew

Several seniors discovered the joys of being on the Hull Lifesaving Museum crew team. Although there are only a few High School students who make the trips to Hull Gut every week in order to row in six person wooden gigs, they are a dedicated bunch. The Rowers include seniors Hannah Crowley, J'aime Donovan, Susie Harvey, Charlie Hancock, Kathleen Keif, Heather Low, and Abi Quinn. The rowers row all year long under the guidance of Lory, Ed, Corinne, Matt, Rueben and Jon. The rowers also get to meet kids from other towns like Hull, Scituate and Cohasset. The crew will always remember Icebreaker, Vaseline, Spaghetti dinners, Catching Crabs, Peddock, PJ's House and the Navy Yard.

PORTFOLIO

Senior Class

This has been a fantastic four years for the class of 2002. The members of the student council have had a great time working together on various activities: building floats, decorating "The Wall," washing cars, and organizing dances, to name a few. The unity of the class has made the

success of all of their projects possible. The officers of the senior class of 2002 are Jennifer Wasson, President: Elizabeth Friend, Vice President; Jennifer Fiske, Secretary; and Emily Murphy, Treasurer. With the help of the class advisors, Mrs. Marvel and Mrs. Chariff, the class was able to sponsor activities to fundraise our unforgettable senior prom at the Fairmont Copley Plaza. The student council would like to thank the class of 2002 for all of their help and support in making their four years at Hingham High School a great experience.

Student Council

This year, President Lauryn McCarthy, Vice President Kaitlin Stengel, Secretary Bridget Garrity, and Treasurer Jenny Rowley have had much responsibility in the smooth running of Student Council. Along with advisor Mrs. Andrews, they aid the members of Student Council in planning such events as monthly assemblies, service projects, including Christmas in the City, and of course, the dances. Every year, they participate in several SEAMASC conferences, the South East Massachusetts Association of Student Council, in which they take part in seminars with other Massachusetts Student Councils, and hear keynote speakers such as the Jordan Furniture guys.

Dance Team

The recently formed Hingham High School Dance Team has shown great momentum in its few years of existence. Senior members, headed by captain Liz Murphy, include Marni Chan, Rachel Ives, Maggie Jennings, Amy Melia, Jenny Rowley, and Sara Ritchie. These current seniors were

also members of the original team, founded in year 2000 by three sophomores: Liz Murphy, Ashley Schomer, and Jen Harris. Since then, the Dance Team has evolved greatly, providing an outlet for the showcasing of talent and ability. The funky, original student choreography performed at the monthly school assemblies and the traditional seniors' last day have made the young team an institution at HHS. As its founders graduate this year, they fondly look to the next wave of talented students to keep on dancing.

Traces

Traces is a school program through which students have the opportunity to learn skills that they might otherwise not learn in a typical classroom. The program allows students to go to the Traces building and learn woodworking and metalworking, among other things. This year seniors Mark Lamm, Sean Melanson, and foreman Mike Gill participated in the program. Recent projects have included constructing tables,

bookcases, and multimedia stations. Also, the group learned to weld metal and restored wooden benches for charity. Traces is a vocational training program available to all HHS students. The student participants spend the morning in school, and leave after lunch to go on-location. The success of the program is due in part to the fine leadership of instructors Dr. Palowski and Brad Cooley.

Senior Video

Smile for the camera! Meaghan explains to her staffers some ideas for this years senior video.

The senior video serves the same purpose as the yearbook; it is simply presented through a different medium. Through: video presentation, it provides the senior: with a look back on all their years o school. The hard-working members of the senior video produce an hour-long video which includes not only every club and every sport, but also every single persor in the grade. It also features interview: with staff and other students. The senio video is presented on Senior Night to marl the culmination of graduation and othe senior activities. Thanks to this hard working staff, high school will never truly be forgotten! Some personal jokes include Thaxter saying, "We need a meeting" and Meaghan saying, "OK" *Don't Stop Believing *

Susie takes a break from her own camera work to smile.

YEARBOOK

Yearbook. What else are we gonna do? Producing this book took a lot of time and effort, but all in all, it was definitely a very worthy experience. Jumping off an eleven-foot pier at Georges Island brought the staff together for what would be a year of hard work... and more hard work. Yearbook "perks", good music and some really cool janitors got us through all the scandals, computer crashes and late nights. Co-Editors-in-

Chief Rebecca Buntrock and Tina Grant sacrificed immense amount of time and energy to produce the book, but it wouldn't have been possible without any of the other editors – Kathleen, Rob, Emily, Julie, Pam and Lauren – as well as the rest of the contributing staff. Thanks to our many friends at HHS, especially the computer "nerds" (just kidding, we love you guys) for saving us on multiple occasions, and all the teachers who let us skip class (except for the ones who gave us detention...) Most importantly, thank you to Mrs. Silva and Mrs. Audet, our awesome and amazing faculty advisors, who were always there when we needed them most. So enjoy our attempt to cram 700 days of school and four years of memories into one book - we tried our hardest!

Above, no one *really* knows what actually goes on in the yearbook office. Looks interesting, though. Left, Rebecca and Tina proudly display their door. Below, the staff smiles for the camera after a satisfying jump into the Atlantic Ocean.

Splash! The sting of cold water sets in as we gasp for air and try not to sink.

Left, the impending deadline doesn't seem to dampen spirits as Pam and Julie smile. Above, Tina = Camera.

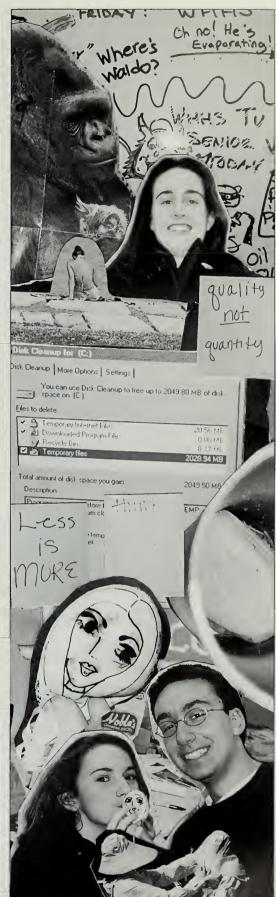

Only one more senior quote to add....and the dreaded blue "error" screen appears. We've got to love it, right Rebecca?

elow, while Rob takes a break from making money (and YBS) to smile for the camera, Emily 1d Mrs. Audet check over a list to find out if anyone is actually buying one of these yearbooks.

enduring FREEDOM

Tuesday, September 11, 2001, will be remembered as a tragic day that changed the world. That morning, a plot, masterminded by terrorist Osama bin Laden and the al-Qaeda network, was put into action. Two hijacked commercial airliners were flown into New York City's World Trade Center Towers, ultimately causing their collapse. Immediately following the incident, another hijacked airliner crashed into one side of the Pentagon in Washington, D.C, and a fourth plane crashed in Pennsylvania. Thousands of lives were lost, citizens were terrified and the world was in shock.

Following that mournful day the United States experienced anthrax scares, continued security threats and the reality of war. Despite the horror, fear and heartache, U.S. citizens united and their patriotic spirit soared. President Bush promised: "We will not tire, we will not falter, we will not fail." Through that statement and the remarkable sense of national pride exuded by U.S. citizens, it became evident that no threat, great or small, could deter the United States resolve for enduring freedom.

World leaders, such as Prime Minister of England Tony Blair, profess their sympathy and support for the United States.

Through his courageous leadership, NYC Mayor Rudy Giuliani becomes known as "Mayor of the World" and was knighted by Queen Elizabeth.

In response to the shocking tragedy, President George W. Bush addresses the nation offering strength, comfort and patriotism.

Ailing airlines urge citizens to defy terrorists' attempts to disrupt lives by reboarding airplanes.

Thousands of people world-wide donate blood and volunteer their services to aid U.S. recovery.

An overwhelming spirit of unity and national pride arises out of the smoldering ashes and human devastation from the September 11 attacks on the United States.
